I forward herewith, for the sanction of Government, a data statement, in triplicate, for calculating the rent of the portion of the Provincial building known as the 'Old Board Lower Secondary School' occupied by the Postal Department under the orders in G.O.No.1393-W., dated 25th November 1909.

As the post office does not appear to have been located in the building at the express invitation of the Local Government, there is no case for assigning the portion in question rent free to the Postal Department.

2. As the building was wrongly shewn under "Imperial" in the Register of buildings of the Bellary District, it was not reported for inclusion in the list of Provincial buildings occupied by departments of the Central Government appended to G.O.No.732-W., dated 5th June 1925. I request that an addendum to the G.O. may now be issued including the building in the list.
